Hi Dr Ulrich

We just wanted to make sure ORD had a chance to see the document before the sampling event as the laboratory is doing the analysis.

Hi all

I'm copying all of my ORD contacts on this email as my Deputy Division (LSASD) Director (Mike Jay) wanted me to reach out to the EPA ORD personnel **Ex. 5 Deliberative Process (DP)**

AltEn Ethanol Facility (Mead, NE) to give you a chance to review or make comments on. I could also add a signature block for ORD if preferred, just let me know if you would like to go in that direction.

The only thing I might add is that however you decide, we are trying to look at conducting the sampling event from May 31-June 2.

Thanks in advance!

Leland
